Bcu Harvard Referencing Guide

The Harvard style emphasises the name of the author and the publication year in the text with full bibliographic details in a reference list. Unlike other styles, there is no manual to which you can refer. This has created variations within the Harvard style so that each University has had to specify which variety of Harvard to follow. Our guidelines have been developed to bring consistency to the practice of citing references within the University so that there is a document to which all ...

Birmingham City University

The Harvard (author-date) system is comprised of two elements: an in-text citation and a bibliography at the end of the document. In the text of an assignment, ideas taken from other people are indicated by placing the author's surname and the date of publication in brackets. The bibliography at the end of the document then lists the references in alphabetical order by author's surname.
