Even more important, what Trump is doing is destroying the hopes of people in other countries, like Russia, that there is a better way to be. I do not intend to sound like I don't love and admire the Russian people - I do, passionately. All the good things about the amazing Russian people you will read in this book are true.

Amazon.com: Customer reviews: Russians: The People behind ...

After the Russian February Revolution of 1917, the Provisional Government dissolved the Tsarist police and set up the People's Militiya. The subsequent Russian October Revolution of 1917 saw a seizure of state power led by Lenin and the Bolsheviks, who established a new Bolshevik regime, the Russian Soviet Federative Socialist Republic (RSFSR). The Provisional Government's Ministry of Internal ...

Russians : the people behind the power (Book, 2013 ...

The structure of the new Russian government differed significantly from that of the former Soviet republic. It was characterized by a power struggle between the executive and legislative branches, primarily over issues of constitutional authority and the pace and direction of democratic and economic reform. Conflicts came to a head in September 1993 when President Yeltsin dissolved the Russian parliament (the Congress of People's Deputies and the Supreme Soviet); some deputies and their ...
